The Peacock is a symbol of the Splendor of the Resurrection

Let us frequently reflect upon the properties of the Glorified Body of our Lord, which we also shall share when the Lord returns in glory. Our bodies shall be resurrected and reunited with our soul. The body will have: **Identity**, having our own body; **Entirety**, meaning our entire body; **Immortality**, not subject to death, eternal life; the body will also be: **Spiritual**, totally submissive to the Spirituality of the Soul-the ability to walk through solid objects; **Lucidity/Luminosity**, radiant like beautiful light; **Agility**, movement through space with the speed of thought; **Impassability**, incapable of suffering, pain or sickness. Come! Lord Jesus Come!
