**Cemetery Request**

Memorial displays (flower pots and stands, flag poles, small statues, etc.) are allowed if kept in line with monuments (north-south) on the west end of the graves spaces, normally called the headstone area. There is a limit on items placed there. All pots must be in pot stands, elevated above the ground. Artificial floral pieces may remain in the cemetery the entire year, if displayed as listed above. However, if they are badly faded, they must be removed. Three days before Memorial Day and until June 8<sup>th</sup>, flowers and other displays may be placed on the grave. After that time, they must be removed, or placed as outlined above. Cemetery caretakers will remove any piece remaining after that period that does not follow the guidelines. Also, floral wreaths left after a burial will be removed when they become unsightly. The caretaker and/or the Board have the authority to remove any items considered unsightly, or above the number of items allowed. These rules are to assure the cemetery is neat and easy to mow. Calvary Cemetery is not responsible for protection or maintenance of any item. Thank you for your cooperation!!!
