The 100 mile an hour windstorm on May 12th, 2022, that damaged the tile roof of the Church is set to be replaced soon. All Star Construction out of Fargo, North Dakota is contracted to do the work on the Church roof. Catholic Mutual Insurance Company is covering the cost of replacing what was damaged in the storm. We are grateful that our Insurance Company. We are anticipating that, material will begin arriving on July 14th. In the weeks following please be attentive when visiting the Church. Please do not cross any cautionary yellow warning tape or blocked off entrances for your safety. Do not walk on the sidewalks beside the church when work is in progress. Do not park on Colorado Avenue, which is the street alongside the Church, nor in the small parking lot between the Church and Saint Mary’s School, when work is in progress.
